PRODUCT SPECIFICATIONS AND COMPANY INFORMATION

All of the products in this catalog are made in the USA (with the exception of Pebble, Scribble, Dahlia and Linen Napkins).

MAINTENANCE INSTRUCTIONS

PLACEMATS Be sure to store Chilewich placemats flat. Do not fold or allow to crease. Chilewich placemats are easily cleaned by wiping with soap and water or a standard tabletop antibacterial cleanser. A high temperature sanitizer can be used up to once a week. We do not recommend running placemats through a dishwasher. Do not iron or dry with a heated dryer. Permanent stains may result when certain food or liquids are left on the placemat for long periods before cleaning. Substances like tomato, saffron, paprika or chili may be problematic on lighter color textiles. Wash immediately to avoid permanent damage. Should a stubborn stain occur, woven vinyl is very durable and can withstand aggressive scrubbing with a soft-bristle brush and a bleach-based cleaner. This will remove the stain without altering the fabric.

PLEASE NOTE: Tuxedo Stripe is a more delicate weave. It should not be aggressively scrubbed.

PEBBLE, SCRIBBLE AND DAHLIA ARE DELICATE STYLES AND REQUIRE SPECIAL CARE: Clean with warm water, mild soap and clean soft sponge or lint-free cloth. Do not aggressively scrub. Rinse well and air dry. To sanitize: wipe with a weak chlorine bleach solution (1 part chlorine bleach, 10 parts water) and a clean soft sponge or lint-free cloth. Do not submerge the placemat into the bleach solution. Rinse well with clean water. Air dry. Do not use cleaning products that contain ammonia, household alcohol or other harsh chemicals.

NAPKINS Machine wash warm (40°C or 100°F). Non-chlorine bleach only. Dry flat. Do not tumble dry. Warm iron (110°C or 230°F). Ironing should be done on slightly damp napkins for best results.

COMPLETE CARE AND MAINTENANCE INSTRUCTIONS CAN BE FOUND AND DOWNLOADED AT: MAINTENANCE.CHILEWICH.COM
